JETSET 7 Speaking Test 8 minutes
(Optional) 40 marks

The Speaking test consists of three parts and should last about eight minutes for each candidate. Usually two candidates take part in a testing session together.

The test should be with 2 candidates and 1 Assessor. The test should last about eight minutes for each candidate or 15-16 minutes in total length. There will be 3 parts to the test, each part to be conducted by an internal assessor where Parts One and Two are based on material externally set by EDI. The Assessor is provided with sufficient material to ensure a reasonable rotation of tasks across the group(s) of candidates being examined.

The Assessor must be fully competent in their own level of English in order to conduct the tests, particularly at the higher levels.

Part 1 of the test will be approx 2/3 minutes long, in order to relax and settle the candidates, and for the Assessor to 'tune in' to the candidates' voices.

Part 2 of the test will be approx 6 minutes long. Candidate A will be given brief prompt card to study for about 30 seconds. Candidate A will give their opinion on the subject for about 1 minute. Candidate B will then be invited to comment for a further minute.

Candidate B will then be given a brief prompt card to study for about 30 seconds. Candidate B will give their opinion for about 1 minute. Candidate A will then be invited to comment for a further minute.

The prompt cards will both be on a broadly related topic.

Part 3 of the test will be approx 6 minutes long. The Assessor will expand the topic further with both candidates, and engage in a 3-way discussion.
